

# WEDNESDAY MARKET

1

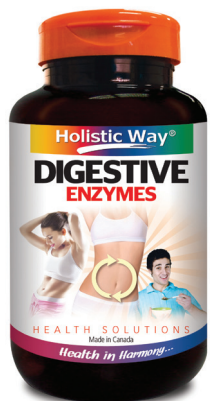

## HOLISTIC WAY ODOURLESS SUPER GARLIC

A high strength formulation made from odourless garlic extract, this supplement is able to support our immune system, thus increasing body's resistance to harmful outside elements. Garlic has also been used to support the circulatory system, specifically the heart and the blood.

3x 1 POINT + \$8

2

## HOLISTIC WAY DIGESTIVE ENZYMES

This supplement contains a special formula that may help to support both our digestive system and the digestive processes in our body. It may also help to support the breakdown of food particles within the digestive tract. This in turn may help in the proper absorption of essential nutrients from the food particles.

3x 1 POINT + \$5

3

## GARDENSCENT OAT BRAN

This is a premium product that uses patented process to unleash the oat beta-glucans, making them easily absorbed by the body and simple to incorporate into any meal. It adds a creamy texture to your beverage and even makes smoothies smoother. Oat bran, the outer portion of the grain, has 50% more soluble dietary fibre (beta-glucan) and protein than regular oatmeal. It also has more B vitamins, antioxidants and minerals than any other oatmeal. It helps to lower cholesterol and the risk of getting heart diseases, manage blood sugar level, aid in weight management and maintain good digestive health. It is 100% natural with no sugar, preservatives or any chemicals added.

1x 1 POINT + \$5

4

## VITAHEALTH PLANT PLACENTA WITH VITAMIN C

This vegan-friendly skin care supplement contains 100% natural and fresh plant placenta and Vitamin C, which will help to form radiant, silky-smooth skin from inside-out. The plant placenta contains abundant levels of active growth factors, antioxidants and amino acids, all of which are essential in the production of beautiful and healthy skin.

9x 1 POINT + \$9

5

## WADAMAN ROASTED SESAME CRUSH

The Wadaman Sesame is produced by Japanese Roast Masters, using original technique with a tradition of more than 130 years. Known for its high nutritional benefits, it is common to eat the sesame with salad, miso soup, stir-fries, shabu-shabu, pasta or simply sprinkle it on top of the rice. The twin pack comprises a packet of golden sesame crush and black sesame crush each.

1x 1 POINT + \$6 (Twin Pack)

6

## YUNICA MAXMINI V ANTI-RADIATION STICKERS

Created by Dr Maruyama from Japan, this anti-radiation sticker is made with special copper coil. It can effectively reduce harmful electromagnetic waves and microwaves emitted from mobile and electronic devices.

6x 1 POINT + \$8

7

## DOCTOR'S BEST HYALURONIC ACID

It contains BioCell Collagen®, an active dietary ingredient that promotes youthful-looking skin and healthy connective tissues of skin by enhancing skin volume and structure. This type of collagen is sourced from sternal cartilage of chickens raised without hormones or steroids in their feed. It helps to enhance normal production of proteoglycans in the joint matrix, thus ensuring healthy joint structure and helping to maintain joint function.

4x 1 POINT + \$4

8

## KORDEL'S COENZYME Q10 60MG

This product contains Coenzyme Q10 (also called CoQ10 or Ubiquinone), a natural substance that is vital for human cellular energy production and supporting healthy heart. It is also an antioxidant that eradicates free radicals in the body. Coenzyme Q10 is required by every cell in our body and is key to chemical reactions in order to produce cellular energy.

13x 1 POINT + \$9 (30s X 4 Bottles)

9

## 21ST CENTURY GREEN COFFEE BEAN

This supplement contains 55% chlorogenic acid, an amino acid which is found in green coffee beans. It helps to burn stored fat and slows down the processing of sugar into glucose, thus helping you to lose weight.

3x 1 POINT + \$9

## {Shopping Notes}

Q Where is the "Wednesday Market"?

"Wednesday Market" is open only on Wednesdays between 10am - 6pm, at 61 Upper Paya Lebar Road, #05-02A, Tat Wan Building (Tai Seng MRT Station, Exit A).

Q What is GP\$?

GP\$ can be found in each issue of the magazine. They come in the form of vouchers in different denominations, and they cannot be used for cash.

Q How do I use my vouchers?

Each item in the Wednesday Market can be purchased using a combination of GP\$ and cash. For example, if an item is sold for "3 Points + \$8", you can use 3 Points worth of GP\$ vouchers, that you have collected, and add \$8 to purchase it. Please present this combination of cash and points vouchers at our office to purchase your item.
